#### Perfect for losing weight or when on-the-go

**PrisoSHAPE® Night is perfect as a meal replacement. The shake is very filling, vegan, with no hidden additives and completely made out of pure natural ingredients of excellent quality. PrisoSHAPE® Night is healthy and gives you the feeling of knowing exactly what you eat!**

#### Ingredients:

Oat bran, chiaprotein \*, pea protein isolate, puffed amaranth \*, puffed quinoa \*, coconut blossom sugar \*, gum arabic (= acacia fiber), rice protein \*, natural vanilla flavor, birch sugar (xylitol), natural sweeteners (natural flavor, sweetener: steviol glycosides), sea salt.

\*From controlled organic cultivation

#### PrisoSHAPE® Night & PrisoSHAPE® Day

PrisoSHAPE® Day contains guarana. Guarana suppresses the feeling of hunger, however, contains caffeine. Therefore, we recommend PrisoSHAPE® Night without caffeine for meal replacements in the afternoon or evening. The combination of PrisoSHAPE® Day & Night makes you really flexible - so you can replace your meals whenever you want.

#### Sanopoly: quality, health and transparency

With PrisoSHAPE® we have developed a nutritional meal replacement which supplies you with an optimized mix of proteins and carbohydrates in the morning, noon, evening or even in between. The right ratio of proteins and carbohydrates with low glycemic index (GI) plays a crucial role in losing weight.

We have ensured that PrisoSHAPE® is produced without hidden additives and, as far as possible, in organic quality. The use of high-quality ingredients and natural birch, along with coconut blossom sugar and the fine vanilla flavor make PrisoSHAPE® a delicious meal replacement if you want to lose weight or are on-the-go.

## PriosaSHAPE® Night Vanilla

### Calorie reduced meal replacement

Beverage powder made from natural ingredients | 18 servings of 35 g each

#### Utilization tips

Replace up to two meals a day with PriosaSHAPE® Night, preferably breakfast and/or lunch. Use milk or milk substitutes for preparation - we recommend almond milk. Almond milk contains no gluten, no lactose, no soy protein and is low in calories.

PriosaSHAPE® can also be mixed with fresh fruit or vegetables in a blender in order to get a delicious smoothie to create an adequate breakfast in the morning. When losing weight, don't forget providing your body with enough fluids. We recommend two to three liters a day!

#### Suggested use

Mix one serving (35g powder = three level measuring spoons) with 300 - 400 ml liquid (ideally almond milk), stir and drink. Replace one meal with one serving once or twice a day.

Notes: PriosaSHAPE® Night Vanilla contains gluten.

For sustainable weight loss, you need to change your diet in the long-term. In case of illness or long-term use ask your doctor about the meal replacement. The powdered drink is not suitable for children, adolescents and babies. It's not a substitute for a balanced diet. A balanced diet and a healthy lifestyle are still important. Store at room temperature (max. 25 °C) in a dry, light-protected place. Keep out of reach of small children.

#### Sanopoly's warranty

This shake doesn't contain dairy products, soy, wheat and yeast. PriosaSHAPE® is 100% lactose-free and GMO-free. PriosaSHAPE® contains no added flavors and no artificial flavor enhancers, no artificial sweeteners and no colorings or preservatives, as required by law.

#### Supplement your diet consciously

With PriosaSHAPE® Night you can replace meals with high-quality plant extracts.

An attentive mind, a healthy body and respect for nature play important roles in sports. That's why it's important to us that PriosaSHAPE®

- contains no hidden artificial additives
- is produced in Austria according to the strictest quality guidelines for food production - the ISO 22.000,
- contains no genetically modified ingredients or organisms,
- contains no genetically modified additives,
- and has all plant extracts tested for pesticide residues and don't exceed the allowed limits (EU-Directive 396/2005).

We call this „EU compliant tested quality“.

#### Perfect for vegetarians and vegans

Nutrition-conscious people are aware of the importance of a high nutrient intake in everyday life.
